

Starting Point:

- Latin America (Projects and Network Collaboration with FAUBAI)
- Africa (LOM in Rouen ...?)
- China:
- SG Strategic destination what does it mean?
- Potential benefits and added value for SG members?
- Identification of external experts (U Ghent platform for China, Bavarian Competence Centre for China @ U Bayreuth, DAAD)
- Prospective Objectives

Enhance Expertise

Create New Opportunities

Collaboration with Chinese Government

SGroup Network in China

- Learning from each other
- Learning from internal/external experts
- Learning from Chinese Partners
- Establish a task force
- Develop a strategic plan for structured outreach
- Identify topics for collaboration
- Collect and analyse data of SG member's activities with China
- Identify further internal/external experts
- Identify potential partners for SGroup
